Clay Crawford and State Superintendent
of Public Instruction William M.

GAINESVILLE FURNITURE CO.

This Firm Offers Tremendous Bar-
gains for the Next Few Days.

As will be seen by a full page an-
nouncement elsewhere, the Gainesville
Furniture Company will be offering
wonderful bargains in furniture and
householdings for the next few days.
Beginning tomorrow, June 23d, and
continuing until July 3d, this firm will
offer as a special inducement to cash
customers a discount of 20 per cent,
which means a great deal. Read the
advertisement for particulars.

The Gainesville Furniture Company
is comparatively a new concern here,
but notwithstanding this, the firm has
enjoyed a remarkable success. This is
due largely to the fact that their goods
are always up to the standard and
their prices are right, and no customer
ever leaves their store dissatisfied.
The business is under the personal di-
rection of C. C. and D. D. Powell, fur-
niture men of experience, and this
alone is an assurance that every article
purchased from this firm must be
just right. These gentlemen are not
here for a week or a month, but have
come to Gainesville to remain, and pro-
pose to treat all customers fairly and
sell them goods at living profit. They
have one of the largest and most up-to-
date lines of furniture and household
goods in the State, and are anxious to
serve the public.

FOR CRUELTY TO WIFE.

Champion Roberson Arrested by Mar-
shal Pinkson on Serious Charge.

Upon a complaint made out by neigh-
bors, who declare that Champion Rob-
erson is a wife-beater, Roberson was
arrested by Marshal Pinkson Wednes-
day morning and was placed under a
bond of \$10 for his appearance in the
mayor's court.

Neighbors declare that Roberson
treats his wife shamefully and cruelly
and that the woman is so forbearing
she would not report the matter to the
police. The matter will be sifted down
to a fine point this morning.

Dying of Famine

Is, in its torments, like dying of con-
sumption. The progress of consump-
tion, from the beginning to the very
end, is a long torture, both to victim
and friends. "When I had consump-
tion in its first stage," writes Wm. My-
ers of Cearfoss, Md., "after trying dif-
ferent medicines and a good doctor, in
vain, I at last took Dr. King's New Dis-
covery, which quickly and perfectly
cured me." Prompt relief and sure
cure for coughs, colds, sore throat,
bronchitis, etc. Positively prevents
pneumonia. Guaranteed at all drug
stores. Price 50c and \$1 a bottle. Trial
bottle free.

Will Make Home Here.

Mr. Jolly of North Carolina has ar-
rived in the city and is so well pleased
with Gainesville and this section that
he has decided to make his home here.
He is a friend of A. O. Steenburg, who
induced him to pay Gainesville a visit.

Mr. Jolly will be welcome as a citi-
zen and it is to be hoped he will be
well pleased here.

WALLACE WANTS TO RESIGN.

Chief Engineer of Panama Canal Con-
struction Sick of Job.

Colon, June 21.—It was publicly an-
nounced that J. F. Wallace, chief en-
gineer for the canal zone, who sailed
for the United States June 16, was go-
ing home by order of Secretary Taft,
for the purpose of a consultation on
important matters prior to the sailing
of the secretary for the Philippines,
and that he was not likely to return
to the isthmus until his annual report
had been written and he had secured
a rest.

Since the departure of Mr. Wallace,
however, it has been said in influen-
tial circles that he does not intend to
return to the isthmus to resume his
position of chief engineer, but that he
has gone home to confer with Secre-
tary Taft on the subject of his resig-
nation. The fact that Mr. Wallace
went home, accompanied by his wife
and two secretaries, seems in some
quarters to lend credence to the rum-
or that he does not intend to return.

Fighting for Woman's Life.

Windsor, Vt., June 21.—It is report-
ed here that a writ of habeas corpus
in behalf of Mrs. Mary M. Rogers,
whose execution for the murder of
her husband is fixed for Friday next,
has been granted at Brattleboro, by
Judge Wheeler, of the United States
district court. According to the report,
the prison officials will be required to
produce the woman in court in this
town at 2 o'clock on Wednesday, only
48 hours before the time set for her
execution. It is said that the state
will be required to show that Mrs.
Rogers is not illegally restrained of
her liberty.

Silver Service for New Ship.

Washington, June 21.—When the
battleship Tennessee shall have been
completed she will be sent by the gov-
ernment to New Orleans where she
will receive a magnificent silver ser-
vice to be presented on behalf of the
citizens of Tennessee. Representa-
tive Gaines, of that state, called on
the president and made the request.
The president complied readily and
directed Secretary Morton to arrange
the matter. The silver ser-
vice as well as the battleship will
rank among the finest in the United
States navy.

Infant's Body Found in Creek.

Fitzgerald, Ga., June 21.—So far
the officers have been unable to find
any clue to the person or persons re-
sponsible for the presence there or
having any knowledge of the death of
the baby whose dead body was fished
up in a creek south of here the first
of the week. The circumstances look
ugly, as the little corpse was tied up
in a sack that contained several
bricks and a quantity of sand, though
the motion of the water in the creek
could have carried the latter through
the open meshes of the sack.

MELON MOVEMENT ON GAINESVILLE & GULF

Twenty-Seven Solid Cars Passed
Through Gainesville

OVER THIS POPULAR ROUTE

Cantaloupe Crop Succeeded by Water-
melons, and Indications Are That
Movement Will be Brief But Heavy.
Fruit is Exceptionally Fine.

The cantaloupe movement has been
succeeded in this section by the ship-
ment of watermelons, and indications
are that the production will be larger
the present season than for many
years.

The Gainesville and Gulf Railway
moved from the section south of
Gainesville Tuesday twenty-seven
solid carloads of watermelons. They
came from the various growers along
the line of this famous trucking belt,
and inasmuch as the bulk of the ship-
ments were of choice varieties, the
chances are that the fruit will bring
good prices, if the markets are not
glutted.

It has been conservatively estimated
that there will be in the district tra-
versed by the Gainesville and Gulf in
the neighborhood of five hundred cars
of melons. This section is also the
best cantaloupe section of the State,
and every year, including the Gaine-
ville section, several hundred carloads
of this delicious fruit are shipped to
the Northern markets.

It is estimated that the watermelon
movement, like the cantaloupe, will be
brief but heavy.

Ballard Snow Liniment Co.: Your

the work in short order. My sister,
Mrs. Sophia J. Carson, Allensville,
Mifflin Co., Pa., has a sore and mis-
trusts that it is a cancer. Please send
her a 50c bottle. Sold by W. M. John-

Big Run on an Ohio Bank.

Akron, O., June 21.—There was con-
siderable excitement here over the con-
tinued big run today on the Second
national bank, the run starting Satur-
day afternoon. One of the depositors
saw the daughter of one of the offi-
cials of the bank withdrew her de-
posit, and from this the rumor started
that something was wrong: \$500,000
has been withdrawn since Saturday af-
ternoon. The officials are not trying
to stop the run, but are paying out
as the depositors call for their money.

million pesos, principally in the Santa
Fe province.
